Proteus Waterproofing® Terms & Conditions

-All prices exclude VAT

-Non-Standard delivery requirements are always chargeable

- This quotation is subject to Proteus Waterproofing Terms and Conditions

-Standard delivery for materials held on stock is between 7:30am – 5:00pm, Monday to Friday

- Orders for on-stock items must be placed by 11am if next day delivery is required

-Non-standard colours are available subject to extended price and lead time; POA

-Availability of items not on-stock will be advised at time of order acknowledgement; please note standard lead time is 5-7 working days

-This quotation is valid for 30 days

-A re-stocking fee of up to 50% will apply for any returns

-Proteus to be notified of any guarantee requirements at time of order

-Small orders that do not need to be palletised, and can be sent via courier, are priced per order

-Non-stocked items including insulation and insulation schemes are non-returnable

-Tapered insulation price is a £/m² budget rate. Prices vary depending on the complexity and individual project requirements

- Shipments exceeding £3,500 (excluding VAT) qualify for standard carriage paid. Delivery charges may vary based on location; please refer to your sales order acknowledgment for confirmation

Leak Detection Test:

The Contractor must make arrangements for an independent wet electronic leak detection test from a member of RAWTA (Roofing and Waterproofing Test Association) prior to the completed membrane being buried.

If tests show defects, please re-test once remedial works are satisfactorily completed.
